Competition Fees

Competition Fees will be divided amongst your coaches. Expect to pay \$25 per competition event whether 1, 2 or all your OSC coaches are present. Other fees such as: mileage, accommodation and food will be divided by all skaters competing.

If competing in a team event you will be charge 25% of the fee, while pair's events will be charged 50%.

It is our philosophy to work as a TEAM for the benefit of each skater. At a competition, ALL of your coaches want to be there to support and help your child. We will each play a role in the success of the competition process. (Off- Ice Warm -up and Stretch, Walk Through's, Visualization, Orientation, On- Ice Warm up, Performance Feedback and Post Evaluation).

\$25.00- 2 parts Freeskate

\$12.50 –1 part Freeskate

\$25.00 - Skills

Note: In addition to your test fees you can anticipate a partner fee for all Dances from Danny and your Skate Canada test fees which will be billed from OSC.
